

## IEEE EDS Malaysia Award of Excellence Postgraduate IEEE EDS Malaysia Award 2021

### Description

The Postgraduate IEEE Electron Devices Society (EDS) Malaysia Award recognizes outstanding research projects that significantly contribute to the enhancement of electronic devices theory and/or applications.

**The outstanding project in four categories will each receive free access to IEEE Regional Symposium and Micro and Nanoelectronics 2021 (worth RM 450) which will be held online on August 2-4, 2021 and e- certificate from IEEE EDS Malaysia Chapter.**

The previous award winners can be found in IEEE EDS website <https://ieemalaysia-eds.org/> and IEEE EDS Facebook page <https://www.facebook.com/EDSMalaysia/>

### Eligibility

The nominees are required to submit a **5-minute pitch video and poster** of their respective project. The awards are given to outstanding projects in electronic devices in these four categories:

1. Outstanding project in MEMS and Nanoelectronics
2. Outstanding project in Nanophotonics
3. Outstanding project in IC Design and Manufacturing
4. Outstanding project in Material, Process & Product

### Important Dates

Submission deadline: **July 20, 2021**

Notification of award: **July 30, 2021**

Award-giving ceremony: **August 2-4, 2021 (during IEEE Regional Symposium and Micro and Nanoelectronics 2021)**

### Submission Procedures

A nomination should consist of the following items:

1. The nomination form below should be attached together with the application. Self-nomination is also accepted.
2. **The nominated 5-minute pitch video must be in English language.**
